Dear Swatara Township Commissioners:

On Saturday **May 27, 2023 at 1pm**, the Friends of Midland will be holding its annual Memorial event honoring the veterans who are interred in its hallowed grounds and elsewhere. These grounds are the resting place of the slaves that once inhabited this area, along with the United States Colored Troops, the Buffalo Soldiers, Tuskegee Airmen and many other notables from this area that you are governing.

Because of your support, the historic Midland Cemetery is now being listed onto the National Register of Historic Places.

We are inviting a representative of the Township to be a part of our annual program. If you could please let us know who will represent the Township by April 21st, we would appreciate it.

The program **time is 1pm on Saturday May 27, 2023** at the Midland Cemetery located at **206 Kelker Street** and Cole Alley in Swatara Township. It is open to the public, so please place this announcement in your newsletter.

With regards,

Barbara B. Barksdale
President
